A calendar for December 2020 is shown, tilted at an angle. The title "Grudzień 2020" is written in large red letters at the top. A snowman illustration is in the top left corner. The calendar grid shows days of the week (Poniedziałek, Wtorek, Środa, Czwartek, Piątek, Sobota, Niedziela) and dates. The date 10 is circled in red. A large black handprint graphic is overlaid on the right side of the calendar. The website address "www.rodzicielskieinspiracje.pl" is visible at the bottom.

# To whom is devoted this holiday?

---

Human Rights Day is devoted to human rights advocates. We celebrate their courage because they are often badly persecuted or imprisoned. They protect theirs and other people's rights. It's very hard work so we must appreciate their effort.

# History of Human Rights Day

In the early centuries, human rights and their protection were already considered. Deprivation of liberty without a trial or a legal order was forbidden. The personal and property inviolability of the Polish nobility was implemented. Freedom was considered inextricably linked with man. The most important values were: *life, freedom, happiness*. It was considered that people are born and remain equal and that freedom, property and security are basic rights. At the end of the 18th century, personal inviolability and religious freedom were introduced.
